**NATIONAL POLLED  
SHORTHORN CONGRESS  
SIOUX FALLS, SOUTH DAKOTA**

*Tenth Annual Show and Sale*

**May 1st and 2nd, 1950**

#### **SCHEDULE OF EVENTS**

**9:30 A. M. Monday, May 1st - SHOW OF CATTLE**

**JUDGE: Raymon P. Duer**

**7:00 P. M. Monday, May 1st - DINNER - Women's Bldg.  
Sioux Empire Fair Grounds**

**9:00 A. M. Tuesday, May 2nd - SALE OF POLLED  
SHORTHORNS**

**HOTEL RESERVATIONS:** Due to crowded conditions hotel reservations should be made as far in advance as possible. Hotel Cataract will be Headquarters, but the Hotel Carpenter will also have rooms available, and both managements will make every effort to handle reservations. Be sure to mention the National Polled Shorthorn Congress when requesting accommodations.

**LOCATION:** The Show and Sale will be held at the Sioux Empire Fair Grounds - at the northwest corner of Sioux Falls. The Fair Grounds are located just west of the Sioux River on the west edge of the city, near West Soo Quarries. It can be reached by taking U. S. Highway or S. D. Highway No. 38. Taxi service from hotels direct to the grounds. All cattle will be housed in Barn No. 2 and the Sale will be held in Barn No. 1.

**LUNCH:** For the convenience of our guests, lunch will be served at the Fair Grounds on both days.

**DINNER:** An interesting and different program has been arranged for the Dinner. Tickets will be available from any Association representative. Make plans to attend.

# Polled SHORTHORNS

## *World Wide Demand*

### **STANDARD GUARANTEE**

#### **OF AMERICAN SHORTHORN BREEDERS' ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Congress Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calftlood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

## Information For The Buyer

**FREE FREIGHT OFFER** - The American Polled Shorthorn Society will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this Congress Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Sioux Falls, So. Dak. and receipted paid transportation bill must be presented.

**MAIL BIDS** - Those unable to be present who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in Sioux Falls in care of the Hotel Cataract, or the Sioux Empire Fair Grounds. Phone number at the Sales Barn is 8-5031.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**  
Clinton K. Tomson    Clem Larson    Ted Aegerter    Stan Perkins

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.  
Merv Aegerter    Hal Longley

**SHIPPING ARRANGEMENTS** - It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**LIABILITY** - Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Society, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

**TERMS** - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**INSURANCE** - Coverage may be secured effective at the time of sale.

**GUARANTEE** - All animals sold in this Sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

**AUCTIONEERS:** J. E. HALSEY, DES MOINES, IOWA  
C. D. SWAFFAR, TULSA, OKLAHOMA

OAKWOOD GALLANT LEADER - is a bull with depth of body and thickness from end to end. He looks a stock bull and sire, with bone, ruggedness and substance. His dam is a very dark roan cow, a heavy milker and has at foot now a bull calf rated as one of the best prospects ever dropped at Oakwood. We have used Gallant Leader and he can be owned with justifiable confidence.

GLATWYN BARONET

**LOT 10 BULL**

**RAY & GERALD CLODFELTER**

**GLATWYN BARONET x2505492 LE-125**

GLATWYN BARONET - is a full brother to our 1949 Illinois State Fair Reserve Champion female and Indiana State Fair Grand Champion. His style, ruggedness, size and especially his thickness and smoothness of fleshing should make him a top bull. He has been used in our herd and is a sure breeder. His breeding assures his producing the right kind.

## *Natural Hornlessness*

Farmers and cattle feeders prefer hornless cattle. You can avoid expensive de-horning by raising naturally hornless Polled Shorthorns. These early maturing cattle are of excellent beef type; grow fast, giving top weight for age, and are capable of handling large quantities of grass and hay - ideal for the grassland farmer the country over. They are hardy, attractive, long lived. Plan to attend this Congress to see and buy the breed's best.

### **LOT 15 BULL**

	Roan, F.C. Knipmeyer		Flossie 1632571
			Roan, F.C. Knipmeyer

GLOSTER'S COUNT 2d-is a red, deep-bodied, straight-legged bull with a clean polled head that should be a good herd sire prospect. His sire is a half-brother to the sire of the Grand Champion female at the Missouri Polled Show and Sale.

Profit is the yardstick that governs the operations of the farmer or rancher who produces cattle for market, and these are the principal customers of breeders of purebreds. That is why Polled Shorthorns ARE GOING PLACES. They are the most efficient, most adaptable to all farm and ranch conditions. WHY? Because there is more room at the feed bunk or in shipping space with polled cattle. . . . . Polled Shorthorns have that famous Shorthorn greater weight for age and earlier maturity . . . . . they have retained their growthiness and attained the smooth modern covering of flesh so desirable in market cattle . . . . . they produce more marketable meat in the same length of time on the same feed and do it easily and quietly, without fuss. There are many bulls in this sale which will be ideal for adding those extra 50 to 100 pounds to purebred, market or crossbred calves. KEEP PACE WITH THE TIMES. Breed modern Polled Shorthorns - give the producer the kind he wants.

## LOT 41 BULL

**ERIC H. THORMODSGAARD**

SHIR MA RITA CASHIER - is a full-brother to the second prize bull at the Iowa State Fair that sold to Russell Goodwin of Maine. He is by the same sire as Alauna Collynie, the \$2500. Grand Champion bull at the 1946 Congress, that in turn sired the Grand Champion female, Reserve Grand Champion bull and first prize Get of Sire at the 1948 International for J. W. Bennett. Cashier's dam is by the 1945 Congress Grand Champion; and Dale's Lodge Keeper was an International Junior Champion.

			Roan, J.W. Bennett

HILLYVIEW ROSEBUD - a thick, short-legged heifer with lots of quality that is deeply bred in polled. Pasture bred to Hillyview Alauna x2474085 to calve soon after sale date.

In 1948 J. W. Bennett & Sons, Winona, Wash. showed the outstanding heifer, Hildale Augusta May, at the International Live Stock Show, where she was awarded the Grand Championship. Her sire, Alauna Collynie, was Grand Champion and high-selling bull of the 1946 Polled Congress. She was purchased in the International Polled Shorthorn Sale for \$3600. by Lynnwood Farms, Carmel, Ind. . . . . establishing a new record price for a Polled Shorthorn female at public auction.

At Lynnwood she was mated to Glen Knolls Monarch . . . . . also a top-selling bull consigned to an International Sale by A. G. Schubert of Hamilton, Ohio.

This picture shows her with an outstanding calf at foot resulting from this mating. The calf will gain weight rapidly because of the ample supply of his dam's milk, so indicative of the good Polled Shorthorn mother.

It takes champions to produce champions . . . . . it pays to buy the best. Look for more prospects like these in this Congress.

Oakwood Hope x1465851  
White, C.B. Teegardin & Sons

OAKWOOD HAPPINESS 11TH - stood well toward the top at all '49 shows, being fourth in that great class of summer heifers at the International. Her dam, one of our most dependable producers, is a three-fourths sister to Oakwood Harmony, three times a champion at the International. Every bull in her pedigree is a champion, save two-and they are sons of champions. Bred to Oakwood Conqueror x2496500 -a bull whose first calves are of outstanding promise. Pre-tested clean and Bangs Vaccinated.

# Foundation For Security

No section of the United States is over-supplied with herds of good beef cattle, and wherever they are found as a major livelihood there prosperity moves along at an even level. Cattlemen can always count on an income where many other lines of business fall short. This has been especially true of Polled Shorthorn herds. They have weathered economic storms, are pleasant to work with, return maximum profits on your investment, and are the nation's No. 1 farm investment. Prize winning herds like this one are not built in a day, but you can come close to it by buying your foundation herd at this Congress Sale, because all the requisites are here. Breeders from all over the country buy their herd improvers at these national events year after year. **WE INVITE YOU TO DO THE SAME.** Remember, it pays to buy the best!

ALPINE LANCASTER LADY 4TH - is a very deep-bodied heifer that will make an attractive brood cow. Bangs Vaccinated.

## SUPER-EFFICIENT BEEF PRODUCTION

As taxes increase and living costs stay high, the greatest returns per cattle unit will come from the quick fattening, good milking, earlier maturing hornless Shorthorn. The degree to which the production of beef has risen in efficiency makes the utility advantages of the Polled Shorthorn especially desirable to the American producer of prime beef. Polled Shorthorns are pound makers with abundant natural flesh, well-balanced, with wide, short bodies, straight legs, strong backs and good heads. They have the ideal easy feeding disposition of the Shorthorn and because of their natural hornlessness are able to make the most efficient use of shed and pasture space meanwhile putting on the greatest weight for the same amount of feed of any beef breed.

This Congress offers the modern type animal for every type herd and every size pocketbook. Practically every bull is ready for immediate service - and the females are of superior type which will soon be fulfilling their purpose as breed matrons. **BUY POLLED SHORTHORNS FOR THE UTMOST IN BEEF PRODUCTION.**

ROAN BEAUTY - is a dark roan with a good head. Calfhooed vaccinated for Bangs.

# It Pays to Buy the Best!

It required fortitude and foresight for Bill Bennett to come all the way from Winona, Wash. to the National Polled Shorthorn Congress held in Lincoln, Nebr. in 1946 and pay \$2500. for the Grand Champion of the Show, Alauna Collynie. That his judgment was basically sound is borne out by the fact that Alauna Collynie, when mated to the good Bennett females, produced many outstanding calves, among which are the pair shown here, namely Hilldale Augusta May, 1948 International Grand Champion Female and Hilldale Collynie 8th, Reserve Grand Champion Bull at the same show. This Congress offering will present an equally good selection and unsurpassed opportunity to buy breed improving bulls and females from many of the country's best herds. Bill Bennett has six sons and daughters of the 1946 Congress Champion consigned to this event . . . . it pays to buy the best!

## Watch Your Polled Shorthorn Savings Grow

Raising Polled Shorthorns is a lifetime proposition. If for nothing more than the amount of money saved in recording and transferring a minimum number of purebred Polled Shorthorns, it pays to be a member of the American Shorthorn Breeders' Association with a Polled Shorthorn affiliation. It only takes four registrations and four transfers at the minimum fees for prompt recording,

to save you more than enough in one year to pay for the entire membership cost and four years in dues. In five years you save at least \$75. As your herd grows your saving is much greater, and figure out for yourself what you will save in a lifetime. A Class B LIFE MEMBERSHIP costs only \$10 with \$1.00 in dues each year.

The rise of every well-established breed of livestock has been accomplished only in direct ratio to the willingness of its members to cooperate for the advancement of markets everywhere. In addition to money saved each membership helps increase the popularity of Polled Shorthorns. Combined with many others it is put immediately to work finding new buyers.

We now have the greatest rate of gain of all beef breeds, let's keep those progress lines going up. JOIN TODAY. If you are already a member, present a new membership to each new buyer.

EVERGREEN ROAN LADY 8TH - is a very low-set, thick heifer, with lots of size for her age. She is out of a sister to the great show cow, Evergreen Roan Lady that won her class two years wherever shown.

# Build Future Security with Polled Shorthorns . . .

## The World's Most Efficient Beef Breed

Polled Shorthorns are the choice of the man who looks to the permanency of his economic future, as well as to a long term breeding herd program. These thick, blocky, close to the ground, quiet, easy-feeding matrons with abundant scale for age and plenty of milk for early maturing calves, are the foundation herd of a man who started with the right kind, many of

which came from the Congress Sales, where there is always a wide choice of excellent females. Upon the cow herd depends the speed with which returns are gained on cattle investment. These cows are the kind that not only go on working for their owners every minute of their lives, but also turn otherwise wasted roughage into a thrifty bank balance - at the same time converting land into more fertile acres.

At this Congress you can get the outlook and promise of the success you can achieve in your own Polled Shorthorn business and will find the right kind with which to start.

### LOT 122 COW

### ROY R. RUTLEDGE

# SOLID FOUNDATIONS

The years continue to add evidence that giving each buyer an over-flowing measure of square deal is the smartest business practice any breed auction can follow . . . and that can be said of every Polled Shorthorn Congress to date. The who's who buy here. They have learned by experience that there is no more dependable foundation for a leading herd than championship blood, and it can always be found at these annual national events. COME AND PROVE IT TO YOURSELF.
